Work Experience

TopperWorld

Web Developer Intern

Remote

June 2024 (1 month)

- Developed a responsive landing page, a dynamic personal portfolio, and a functional e-commerce clone using HTML, CSS, JavaScript, React.js, and Node.js. Gained experience in front-end and back-end development, project management, and performance optimization.
- Implemented features such as user authentication and payment gateway integration. Enhanced cross-browser compatibility and SEO practices

Projects

E-Commerce

React.js, Node.js, Redux

COLLECTION OF DIFFERENT PRODUCTS FOR USER

Github

- Developed a feature-rich e-commerce application using MERN stack(MongoDB, Express, React,Node.js).
- The application includes functionalities such as order history tracking, user profile management, and an admin panel for managing products and orders.
- Implemented a responsive and intuitive user interface, ensuring a seamless shopping experience across devices. Utilized RESTful APIs for efficient data handling and state management within the application

Invoice Management

React.js, Firebase

REALWORLD BUSINESS APPLICATION

Github

- Designed and implemented an Invoice Management application using React and Firebase.
- The app features invoice generation, monthly report views, and real-time data synchronization.
- Developed a user-friendly interface to streamline invoice creation and management. Integrated authentication and role-based access control to ensure secure data handling.

Technical Skills

Strongest Areas

Data Structures, Algorithms

Programming Languages

Java

Libraries/Frameworks

React.js, Express.js, Git, Node.js, HTML5, CSS3

Database

MongoDB, Firebase

Course Work

Operating System, DBMS, OOPs, Computer Network

Education

National Institute of Technology, Nagaland

Nagaland, India

Btech in Computer Science Engineering

, 2021 -, 2025

•CGPA - 8.98/10(till 6th semester)

Accomplishments

DSA: Solved 400+ DSA problems on GeeksForGeeks [Link](#)

Team Management: Organised multiple events in Techno-cultural Fest, handled over 30 team members.
